PILOT PROJECT FOR ELECTRONIC SUBMISSION OF THIS APPLICATION

In Fiscal Year 2002, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional discretionary grant competitions. The Rehabilitation Training: Rehabilitation Continuing Education Program, CFDA 84.264A, is one of the programs included in the pilot project. If you are an applicant under CFDA 84.264A, you

may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in this pilot project. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- Within three working days of submitting your electronic application fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from the e-APPLICATION system.

2. Make sure that the institution's Authorizing Representative signs this form.
3. Before faxing this form, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
4. Place the PR/Award number in the upper right hand corner of ED 424.
5. Fax ED 424 to the Application Control Center at (202) 260-1349
6. We may request that you give us original signatures on all other forms at a later date.

You may access the electronic grant application for the Rehabilitation Training: Rehabilitation Continuing Education Program at:

<http://e-grants.ed.gov>

We have included additional information about the e-APPLICATION pilot project (see Parity Guidelines between Paper and Electronic Applications) in the application package.

SELECTION CRITERIA: In evaluating an application for a new grant under this competition, we use the selection criteria in 34 CFR 385.31 and 389.30. The selection criteria to be

used for this competition will be provided in the application package for this competition.

The maximum score for all these criteria is 100 points; however, we will also use the competitive preference priority so that up to an additional 10 points may be earned by an applicant for a total possible score of 110 points.

PRIORITY

Competitive Preference Priority:

This competition focuses on projects designed to meet the competitive preference priority in the notice of final competitive preference for this program, published in the Federal Register on August 31, 2000 (65 FR 52996). Under 34 CFR 75.105(c)(2)(i) we award up to an additional 10 points to an application that is otherwise eligible for funding under this competition based on the extent to which an application includes effective strategies for employing and advancing in employment qualified individuals with disabilities in projects awarded under the competition. In determining the effectiveness of those strategies, we will consider the applicant's prior success, as described in the application, in employing and advancing in employment qualified individuals with disabilities.
